Crucial Rules for Program Preferences

Prioritize Wisely

It is strongly advised candidates to prioritize Regular Seats over Paid Seats when building their preference list.

Non-NEP Programmes

Applying for Agriculture, Commerce, or B.A. LL.B.? You only need to select the Major Subject + Location. Selecting a Minor subject is not required. (Reference: UG Info Bulletin Page 13).

Ultimate Flexibility

Don't panic! You can add, remove, and reorder your program preferences at any time before the final registration deadline.

Alert: The Geography Matrix

The Issue: 'Geography' will appear twice in the Programme dropdown menu. You must select the correct one based on your degree and desired faculty.

	Option 1	Option 2
For B.A. Applicants	Faculty of Arts	Faculty of Social Sciences (FSS)
For B.Sc. Applicants	Faculty of Science (Mathematics Group)	Faculty of Science (Biology Group)

Step 6: Final Preview & Fee Payment

1. Review: Meticulously scan the preview page for any remaining errors.

2. Declare: Check the box under 'Form Declaration'.

3. Submit: Click the green 'Pay Fee' button.

The screenshot shows a web application preview page. At the top, there's a header with navigation links. Below the header, there's a section titled 'Application Preview' with a list of bullet points. The main content area features a table with columns: 'CODE', 'NAME', 'MANUAL MARKS', 'STATUS', and 'IN NOTES'. The table contains several rows of data. At the bottom of the page, there's a 'Form Declaration' section with a checkbox and a green 'Pay Fee' button.

Final System Rule Reminder

Once paid, no profile information can ever be edited. However, your actual programme preferences can still be reordered until the final registration window closes.

Success! Registration Complete

Upon successful fee payment, the system generates a definitive PDF Application Form.

Action: Download and securely save this PDF—it is your official proof of CAP UG 2026 Registration.
