SECTION 1: GENERAL INFORMATION

The Banaras Hindu University (BHU), founded by Mahamana Pandit Madan Mohan Malaviya ji in 1916, is one of the most prestigious Central Universities in the country. An autonomous institution of distinction and having the Hon'ble President of India as its Visitor, BHU is the largest residential University in Asia. Being a living embodiment of such visionaries as Mahamana Malaviya ji, Dr. Annie Besant and Dr. S. Radhakrishnan, this seat of learning epitomizes a synthesis of ancient wisdom and modern scientific temper. Its holistic model of education, conceived and enriched by its illustrious founder, offers refreshingly new perspectives to young minds and nurtures and facilitates their creative talents. This University was conceived as a residential university, keeping in view its objective of complete character development and thorough mentoring of students. Perhaps this is the only university in the world where courses ranging from nursery and primary school to Doctoral/ Post-doctoral degrees are taught and pursued within a walled campus spread over 550 Hectares (1360 acres) and has majestic buildings of great architectural delight. It enshrines within its precincts, a phenomenal range of teaching disciplines incorporating almost all conceivable subjects of Science, Engineering & Technology, Medical Sciences, Humanities, Social Sciences, Commerce, Law, Education, Visual Arts, Performing Arts, Sanskrit Vidya Dharm Vigyan, Agriculture, Veterinary Sciences, Library Science, Journalism and a large number of Indian and Foreign Languages. There are at present 5 departments receiving support under the Special Assistance Programme, 7-UGCInnovative / TRIEA / Other Programme and 3-DST-FIST (Fund for Improvement of Science & Technology) 4 departments/schools are supported under the FIST programme of DST. It also has four colleges admitted to the privileges of the university which are located in the city. The university also has three schools apart from having a Kendriya Vidyalaya housed in the Campus. In addition, the Rajiv Gandhi South Campus was established in the year 2006 in a sprawling campus of 1092.6 Hectares (2700 acres) located about 75 km away from the main campus, at Barkachha in Mirzapur district, Uttar Pradesh.

The candidate must note with the following general guidelines:

- 1.8 For all communications and updates regarding admissions, candidates are strongly advised to regularly check their dashboard, and university website.

- 1.10 For the allotment of seats in Practical/Sports Proficiency-based Programs, and in the Sports Supernumerary Quota, a composite score combining CUET (UG) - 2026 and Practical/Sports Proficiency test/trials and/or certificates will be evaluated.
- 1.11 If vacancies remain in the Supernumerary quota(s), they will not be reassigned to any other category.
- 1.12 Candidates must personally appear for document verification as and when notified by the University/Faculties/College.
- 1.13 Candidates are solely responsible for demonstrating their eligibility for reservation under any reserved categories (including PwBD and Ward). If it is found at any stage that eligibility criteria are not met, admission if granted will be cancelled, and appropriate legal action will be taken. The University will not refund fees in cases where candidates are found ineligible at a later stage. The University reserves the right to cancel the admission of any candidate found to have violated BHU's rules and regulations.
- 1.16 A candidate whose documents are found to be invalid owing to willful forgery/act of cheating will be debarred.

4.1 SUBJECT-MAPPING

- Candidate must fulfill the subject (studied at class XII) eligibility required for registered course.
- Candidate must map the studied subject, during filling academic details, with the subjects listed in the dropdown of application form on portal. In case any subject is not listed then select "Other" and map it with its closest subject from the dropdown subject list.
- The University reserves the right to determine subject equivalency through equivalence committee and its decision will be final and binding.
- Candidate should have appeared in NTA CUET(UG) 2026 test paper(s) (Language/Subject Domain) required for registered course.

4.2 PREFERENCE SELECTION

- A candidate may choose as many programs as they wish, provided they meet the eligibility criteria.
- The candidate should select maximum number of preferences, for which they are willing to accept admission, to have better opportunity for allotment.
- Candidates are allowed to specify and prioritize their preferences for both types of Programs (with combinations and without combinations) with their locations.
- Candidates will have the option to reorder these combinations to prioritize their preferences using the "Top, Bottom, and Preference Number" icons. The preference order submitted by the candidate will influence the allotment of seats as per allotment rules. Once filled and saved, the final order of preferences will be displayed in the "Selected Preferences" tab.
- Candidates must remember to save and submit their preferences before the deadline. Only selected and saved preferences during the Preference-Filling process will be considered for allotments and any potential upgrades. Candidates should preview their "Preference Selection" to verify and confirm their saved choices.

Advice: Candidates are advised to prefer regular seat of any program over the paid seat and arrange the preferences accordingly.

4.3 LOCKING OF PREFERENCES

- Candidates are allowed to rearrange their selected preferences till the registration deadline.
- The last saved preference order will automatically be locked upon reaching the deadline. These locked preferences will serve as the basis for seat allotment in all rounds of CAP (UG)- 2026.

SECTION 5: ALLOTMENT RULES

- 5.1 In terms of provisional allotment, an 'Allotted Seat' denotes a distinct pairing of **Program + Location** (Faculty/College). For instance, the allotment of "Bachelor of Arts in Hindi with English (Program) + Faculty of Arts (Location)" is an Allotted Seat (with major and minor combination) in the respective program at the Faculty Main Campus. Likewise, the allotment of "Bachelor of Arts in Hindi with English at AMPG" is an Allotted Seat respective program at AMPG College.

- 5.2 The University will utilize the CUET scores provided by NTA (National Testing Agency) to calculate merit according to Program-Specific Eligibility criteria.
- 5.3 The allotment of the TOP Possible Preference to a candidate will be provisional and based on the following criteria:
- Seat availability.
 - Merit list specific to the program.
 - Social category (UR/OBC-NCL/SC/ST/EWS etc).
 - Any additional allotment rules, policies, or criteria outlined in CAP (UG)-2026, UGIB-2026, or published on BHU's admission website.
- 5.4 The UR category merit list includes all candidates ranked by their NTA CUET Score and other inter-se criteria. No one is excluded based on category if they meet the UR merit criteria. This means SC/ST/OBC-NCL/EWS candidates can also be included in the UR list based on their merit, not their category. Belonging to a reserved category doesn't disqualify the candidate from the UR list. Discrimination based on caste or category is strictly prohibited by Banaras Hindu University (BHU), Varanasi. Any violations will be met with disciplinary action.
- 5.5 Applicants claiming SC/ST/OBC-NCL/EWS/PwBD/BHU Employee category must submit a valid certificate issued by the authorized body at the time of registration. (Refer UGIB-2026). Missing or invalid certificates will exclude you from being considered in your chosen category.
- 5.6 If the seats in a particular program reserved for SC category remains vacant due to insufficient candidates, it can be filled by ST candidates only and vice- versa.
- 5.7 To streamline the admissions process and commence the academic year promptly, the university may process additional seat allotments during the admission rounds, if required.

SECTION 6: SEAT ALLOTMENT AND ADMISSION

Once the merit lists-cum-allotment are released, check them carefully on admission portal dashboard. It is the responsibility of candidate to check their admission dashboard regularly after each round of seat allotment. If seat is allotted, the candidate must complete all the required admission formalities. Candidate need to pay the admission fee/adjust the admission fee (in case of upgradation) to secure admission. The admission is considered incomplete till the fee of the program is not successfully paid.

If a candidate fails to pay/adjust the admission fee within the specified timeframe, it will be considered a cancellation of the allotted seat. This means the candidate:

- will lose the allotted seat.
- won't be considered for any further allotment rounds.
- will forfeit all rights associated with the allotted seat.

Advice: To avoid any last-minute stress, make sure to pay the admission fee well before the deadline.

SECTION 7: SUBSEQUENT ROUNDS OF ALLOTMENT, UPGRADE AND FREEZE

The University may hold several rounds of seat allotment based on vacancies created by rejections, cancellations, and withdrawals of provisional admissions. All applicants for CAP (UG)-2026 are eligible for every allotment round, except those whose admission was cancelled/rejected/withdrawn.

Candidates will be considered for upgradation to higher preference, subject to seat availability, provided that the candidate did not choose "Freeze" option. Once the candidate is upgraded to higher preference, the candidate cannot go back to his/her previous preference and the admission claim in the previous preference (allocated seat) stands cancelled.

Candidates must regularly check for upgrade opportunities. Failure to do so will not be grounds for appeal. If upgraded, candidates must complete the admission process. Applicants who are allotted their top program choice in any round will not be considered for that program in subsequent rounds. However, upgradation in quota will take place till candidate gets seat allotment in Unreserved.

Note: In case of Upgradation (including Preference and/or Quota upgradation), the candidate must exercise "Payment" option which will be available on the candidate's admission dashboard for each round in all situations i.e. higher fee, same fee or lower fee in the upgraded course.

If the upgraded preference has higher fee, the candidate must pay the difference. On other hand, in case the upgraded course has lower fee, refund will be made as per university rules. If a candidate fails to pay/adjust the admission fee within the specified timeframe, it will be considered a cancellation of the allotted/upgraded seat. In case of non-payment, the admission will be cancelled.

After payment for allocated seat in any round, the candidate will have the opportunity to "Freeze" his/her desired allotted seat. Selecting "Freeze" confirms acceptance of the **Program with major and minor combination and faculty/colleges** the candidates are admitted. This seat becomes final and cannot be changed later. However, despite freezing the seat, upgradation in quota will take place till candidate gets seat allotment in Unreserved.

SECTION 8: CANCELLATION OF PROVISIONALLY ALLOTTED SEAT/ ADMISSION

- The admission offer is conditional and will be cancelled if fail to meet specific requirements by the deadline.
- Failure to pay the admission fee by the deadline will result in the cancellation of the allotted seat.
- If any documents submitted during the registration process are found to be fake or invalid at any stage, admission will be cancelled.
- Not meeting the minimum eligibility criteria set by BHU will lead to admission cancellation, even if initially allotted a seat.
- Not adjusting the payment of the admission fee, in case of upgradation.

SECTION 9: WITHDRAWAL OF ADMISSION

If the candidate has been admitted to a program but decides to withdraw, the candidate can cancel admission through the dashboard using the "Withdraw" option. However, keep these important points in mind:

till the commencement of next round.

Candidate encountering any admission related issue may email their query to admission.help@bhu.ac.in during BHU admission process. In case of any program specific issue, candidate may contact Admission Committee/Admission Incharge of the respective Faculty. If the Faculty couldn't address the candidate's grievance within a reasonable timeframe, candidate may escalate it to the Central Admission Committee (CAC) of the University through Academic Section of the Central Office, BHU. The CAC, in general, will only consider grievances forwarded by the Dean of the Faculty, along with their recommendations or remarks. The CAC will not consider grievances submitted directly by individual candidates. Grievance related to policy matter may be forwarded to University Admission Coordination Board (UACB) of the University for the direction and decision.
